Instruction for the Online Document Repository (ODR)

How to Access the ODR

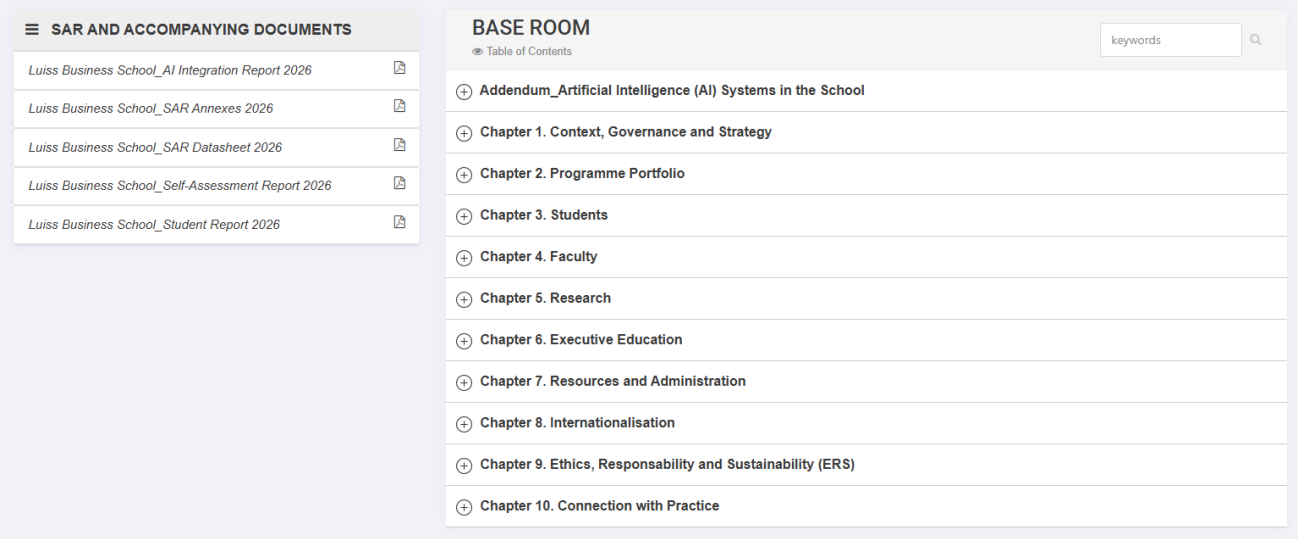

The ODR is available at: https://luissbsbaseroom.luiss.it

To access the ODR you need to use your personal credentials and the password provided below.

Example:
Email: [personal email]
Password: EQUISPRT2026

The ODR Structure

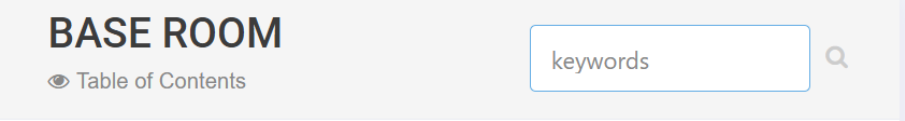

As soon as you log in, you will find the ODR Homepage:

The ODR is structured in accordance with the Self-Assessment Report, as shown by the Table of Content providing a list of the documents available.

Document Research

To ease the document research, visitors can use a search field to look for files through dedicated keywords.

All the documents in the ODR use a keyword system that allows users to search for specific documents.

As an example:
If looking for a programme brochure, you can digit the record “brochure” on the research tab and you will have the list of the files containing “brochure” on their label or the word brochure on the document.
